pavilion at

**WEBSTER CITY, IOWA**

PLEASE BRING THIS CATALOG TO THE SALE.

## Terms & Conditions of the Sale

**LOCATION**—The sale will be held in the heated sale pavilion at the Fair Grounds at WEBSTER CITY, IOWA, on Friday, June 1, 1934. Webster City is on the paved U. S. Highway No. 20, twenty-one miles East of Fort Dodge and seventy-six miles West of Waterloo. Intersecting roads make it easy of access by paved highways from all parts of Iowa and adjoining States. Also it is on the Illinois Central and Chicago and Northwestern Railroads.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE**—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

**PEDIGREE CERTIFICATES**—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

**BIDS**—Those wishing to buy who cannot be present may leave with, or send their bids to the sale manager, Will Johnson of the Shorthorn World; to J. E. Halsey of Wallaces' Farmer, or to any of the consignors.

The rise in prices of pure bred cattle has come but pure bred Shorthorns are still the corn-belt farmers best asset. Buy these choice breeding units before the price gets above that of a safe conservative investment. In a short time cattle such as these will be selling at double the prices of this sale. Buy now and be ready to sell then.

WILL JOHNSON, Sale Manager,  
3709 Sixth Avenue, Sioux City, Iowa.

# The Announcement

---

It is a pleasure to be permitted to announce the sale by auction of such a high class offering of Shorthorns as have been consigned to this sale. No one can study this catalog without being impressed by the desirability of the pedigrees of the cattle that are listed. When you see the cattle you will be still more favorably impressed by the excellence of their type, quality and character.

It will be observed that the consignments to this sale come from six states. A large number of them are from herds that have National reputations because of the production of winners at our greatest fairs and exhibitions. Those from the herds that are not so well known, will be found to compare favorably with the others because their breeders have used the best type of cattle with which to produce them and have given them first class care.

We invite all who are interested in Shorthorns to attend this sale whether you wish to buy or not. You will find some tried bulls that have proven to be excellent sires. You will find a great lot of young bulls, the get of noted stock bulls. You will have an opportunity to buy the sort of females with which to make replacements in the best of herds as well as to found successful new herds.

There will be no apologies made for any of the animals to be sold in this sale because no apologies are needed.

WILL JOHNSON, Sale Mgr.

---

On the day following this sale, the Marshall County Shorthorn Breeders' Association will hold a sale of fifty of the best Shorthorns that have ever been sold at Marshalltown. You are invited to stay over to attend that sale. Willson Hotel, Webster City and Tallcorn Hotel, Marshalltown, afford excellent accomodations for the night.
